

OFFICIAL LAUNCH AND TRAINING SESSION – ALL WELCOME!

# Community Eelgrass Mapping

SATURDAY, JUNE 7<sup>th</sup> 10 AM – 3 PM

**ORIENTATION (10 am-noon):** South Oyster School (S. Oyster Rd, Saltair)

**HANDS-ON TRAINING (1-3 pm):** Boulder Beach (end of S. Oyster Rd)

Please **pre-register by May 15** to guarantee space and assist us with planning. Phone: **416-0382** or email: **k\_6032@hotmail.com**

Late registration will be accepted, space-permitting.

**Free registration** in return for your pledge to donate enthusiasm and some mapping time over the summer!

*“Eelgrass serves as a vital marine protected area for many species of birds, fish and marine animals.”*

Workshop led by  
Nikki Wright,  
Co-chair of the SeaGrass  
Conservation Working Group

## YOU WILL NEED:

- bagged lunch
- lots of drinking water
- protective sunwear (hat, sunscreen, etc)
- waterproof boots (sandals not recommended)
- GPS unit if you have one (not required)
- comfy clothes that can get a little wet or mucky

Our community eelgrass mapping project is jointly sponsored by:

**Biodiversity**  
CHEMAINUS BIODIVERSITY EDUCATION PROJECT
