Trail Report

Licenses are on an automatic two-year renewal (under mutual agreement) with landowners. We currently have four signed licenses covering two trails.

Current Trail Development – Dingly Dell (Jollity Farm) working on building stairs for the middle section, hopefully opening early New Year.

Signage – working on flora, fauna, history and points of interest for trails.

General trail protocol will be finalized and signs will be posted at the beginning and end of each trail.

Future trails are always open for discussion.

Trail Wardens are a keen group with a smaller construction crew on a regular basis. We are grateful for the support.
