

## TIRRA President's Report 2019

I am honored to have completed one full year serving as President of the Thetis Island Residents' and Ratepayers' Association. I am incredibly lucky to have a highly skilled, passionate group of volunteers who complete the committee work throughout the year. I extend my personal thanks to each of the Officers, Committee Chairs, Employees and Volunteers.

### General Updates:

Trails- Thank you to Vicki and her team of volunteers for the continuing trail work, signage, and thank you to our community members who have agreed to have trails through their property.

Transportation- Thank you to Stu for your work with many community partners including ferries, Emcon and CVRD.

Solid Waste & Recycling - Thank you to volunteers and employees, a job well done. Your enthusiasm and commitment is appreciated by all residents. As for so many Thetis Island ventures, it would not be possible to operate the Solid Waste yard without great people investing their personal time!

St. Margaret's Cemetery – Thank you to Suzanne and her volunteers for the ongoing work to beautify and stabilize the cemetery property.

There has been a lot of community conversation about inclusiveness of decision making, information sharing and fiscal accountability. I ask you to hold me accountable that TIRRA meets your expectations on these goals, in the interest of all islanders.

Thank you for your support.

Regards, Wendy Hinsperger, TIRRA President
