

TIRRA Transportation Report AGM Mar 2020

Site visit to Thetis Island by new Area Manager, Ministry of Highways and Infrastructure (MoTI), Jessica Learn. Toured Moore Hill south & north side, various gravel roads, numerous sharp corners on main roads. Discussions around road safety, pedestrians, ferry approach & drop off area, highways yards, and TIRRA trails.

Emcon Services Inc took over from Mainroad eff Oct 2019. Emcon can be contacted 24/7 using their Road Reporting Line at 1 866 353-3136 or leave a voicemail at the yard 250 246-3431. For all emergencies dial 911.

Joe Lang replaced Grant Gordon as our on-site highways contractor.

Moore Hill geotechnical assessment was completed by MoTI.

MoTI and BC Ferries assessment conducted for the terminal approach, reviewing safety and efficiency for both pedestrians and drivers. Draft planning in the works.

Site visit with MoTI and Emcon after concerns were raised regarding the pavement on the south side of Moore Hill. Temporary repairs completed until more permanent repairs can be made during appropriate weather in the spring/summer of 2020.

Communication with MoTI requesting chip-sealing of remaining dirt roads on Thetis.
