

PRESIDENT'S ANNUAL REPORT  
TIRRA AGM, MARCH 2012

This year has seen some significant hurdles jumped, mostly in the solid waste/recycle. We continue to make good progress in this important area. All the executive members have willingly served you, the community, and done a great job of taking care of the many ongoing tasks.

My thanks (and yours also) goes wholeheartedly to them.

Respectfully submitted,  
Ernie Hunter  
Pres.
